

Amanda Post

ASTHMA CARE MANAGER

ABOUT AMANDA POST

Amanda has been practicing as our Asthma Educator since 2012 and has been a nurse here since December 2008. She received her BSN from Grand Valley State University where she then began working at Spectrum Health in the Pediatric Intensive Care Unit. After working there she worked for an allergist where she learned more about allergy and asthma care.

Amanda is a certified Asthma Educator through the State of Michigan. Please feel free to contact her with questions and concerns regarding asthma.
