Dear patients and families,

It is with very mixed emotions that I am announcing my retirement from Alger Pediatrics at the end of May 2024.

I am humbled and honored that I had the privilege of caring for your children, and sometimes for two generations. I have come to know many of you as friends and I am grateful for that.

Alger Pediatrics has hired two excellent pediatricians who will be joining the practice in summer 2024. They will provide your children with quality and compassionate care so you will be very well taken care of.

It has been a great pleasure providing for your children's care over these years. I have greatly enjoyed being your children's pediatrician and will miss you all.

I wish you great health and God's blessings over your families.

Sincerely,
Akuorkor Addy, M.D.
